This lovely two-bedroom chalet apartment is in an ideal position just off Place Centrale in the heart of Verbier. It has recently been renovated to an exceptional standard using reclaimed untreated wood to give the chalet a cosy atmosphere.

"I also wanted to take the opportunity to tell you how much we have loved our time in our Chalet and in Verbier. The service provided by Izzi and her team, has literally blown us away. She has personally well exceeded our expectations. We have even tried to extend our stay but understand our Chalet is booked! Thank you for helping create such wonderful memories for our family, and we very much look forward to our return."
