Arguably the most sought-after address in Verbier, Place Blanche is a stunning property in the heart of the resort. Occupying two big adjoining apartments overlooking the newly-built village square at Place Blanche and the W Hotel, the location could not be any better.

With the Medran piste and bubble lift right on your doorstep, as well as some of the best shops, bars and restaurants in town, Place Blanche is quite simply the place to be. 540m² and decorated in a contemporary yet rustic style, this luxury apartment oozes class and charm in equal abundance.

Decorated with some stunning modern art, the chalet also has a separate office, as well as a TV room. There are south-facing balconies running the entire length of the property offering spectacular views towards the mountains and the square itself.

Place Blanche, is one of the most exclusive properties in Verbier. The bedrooms are extremely spacious by Verbier standards, and furnished to the very highest standards. The chalet is versatile, with the five main bedrooms being able to set up as either doubles or twins. One of the bedrooms has a large full height mezzanine with additional double/twin beds.
